LIBRARY/MEDIA CENTER

The libraries at each school will be available to home school students on a time available basis, with the student following the same guidelines as the public school students. Arrangements for time must be made in advance with the school principal/media specialist.

PHYSICAL EDUCATION/HEALTH

Elementary: No
Middle School/High School: Yes – same qualifiers as academic classes

PROGRAMS/LYCEUMS

The home school student may participate in lyceums offered by their area school when age and/or grade appropriate and space is available. Prior arrangement with the principal is always required.

SPECIAL EDUCATION

School District 200 provides special education programming for children home schooled within the district boundaries who meet state eligibility criteria for services. Parents may make a referral by contacting Tonia Humble, Assistant Director of Special Services at (651) 480-7008. Upon completion of a Referral for Educational Assessment, the child’s performance will be evaluated in the areas of concern. Services are scheduled at a public school with transportation provided by the school district. These services are available at no cost to the parents.

TEXTBOOKS

Textbooks may be loaned to a home school student on a yearly basis, keeping in mind that each school must keep a reserve of textbooks for new students. Textbooks no longer in use may also be loaned. Please contact Rachel Larson, Director of Teaching and Learning, at (651) 480-7011 with any questions.
