# HASTINGS HIGH SCHOOL

Welcome to Hastings High School! Hastings High School is a comprehensive high school offering a wide range of choices for our students including Advanced Placement and College courses. HHS is the finest high school in the area and is continually recognized regionally for three fundamental foundations to our school:

1. strong and varied academic offerings,
2. strong involvement in fine arts & activities and
3. strong involvement in athletics.

Supporting these foundations are positive staff-student relationships and a school climate purposefully designed to develop a safe, trusting and supportive learning environment. In addition, the students and staff at HHS significantly value the service to others in need.

## WE'RE A GREAT SCHOOL:

- 97.2% Graduation Rate is one of the highest in Minnesota
- 90% of Hastings High School graduates attend college and technical schools
- The first commencement ceremony was in 1987 when 7 students graduated from HHS
- Students and staff members enjoy wearing "Raider Nation" gear on Fridays
- The HHS Local Scholarship Program awards \$200,000 in scholarships to graduating seniors each May
