# Tilden Community Education

Welcome to Hastings Community Education! Here at Tilden, we hope to inspire connections through all stages of life so that people become engaged in community.

From the youngest children in our Early Childhood program to the oldest adults in our Senior Center, we offer opportunities for every member of the family to explore new subjects, sharpen skills, practice hobbies, explore the world around them and so much more.

We are so delighted to have you here as part of our team. So on behalf of everyone here at Tilden, welcome!

## WE'RE A GREAT SCHOOL:

- The Annual Early Childhood Fall Festival is great opportunity for families to come together each year.
- Our Annual Tukey Bingo brings in over 150 community members each year!
- Fun fact: the original Tilden School was built in 1868 for \$1,600.
- Tilden is a great community building with staff coming together from several program areas to provide the best lifelong learning opportunities for all.
- Each year, we serve over 27,000 participants!
